The health care price listed above for any given health care service is an estimate. Actual charges for the health care service are dependent on the circumstances at the time the service is rendered. If you are covered by health insurance, you are strongly encouraged to consult with your health insurer to determine accurate information about your financial responsibility for a particular health care service provided by health care provider at this office. If you are not covered by health insurance, you are strongly encouraged to contact our billing office at 719-545-2746 to discuss payment options prior to receiving health care service from a health care provider at this office since posted health care priced might not reflect the actual amount of your financial responsibility.
